

Accredited CO2 calibration

código: SLU015

CO2 calibration certificate issued by an accredited calibration laboratory.
The calibration certificate is issued by a calibration laboratory accredited
by the Czech Institute for Accreditation, o.p.s. according to CSN EN
ISO/IEC 17025:2018.

The calibration certificate is internationally recognised within the framework of international multilateral agreements EA MLA and ILAC MRA.

Accredited CO₂ calibration is provided by an external calibration laboratory.
